

Please Note: These Optional Tools have been developed as support materials and each is provided as an idea only. You may choose to utilise this tool in its current form or adapt it to suit your own setting. Alternatively, your school or system may have established their own approaches and methods for documentation. In all cases you should be guided by your mentor and/or the appropriate administrators in your setting.

## LESSON/ UNIT DESIGN – Focus on Numeracy

This optional tool should be used prior to the delivery of the lesson. It is designed to reflect on your decision making in your lesson plan. You may use this tool for:

- Self Reflection
- Collaboration Reflection with a teaching peer

**Year Level:**

**Room:**

**Subject/ Unit:**

**Lesson Time:**

<p><b>Curriculum Connections</b></p> <p>What numeracy skills are integrated into this lesson?</p>	
<p><b>Learning Experiences</b></p> <p>What skills will students need to select and use? Does my lesson/ unit involve opportunities for students to analyse and interpret data?</p> <p>Will students be able to select and use:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> relevant mathematical knowledge;</li> <li><input type="checkbox"/> procedures; and</li> <li><input type="checkbox"/> strategies;</li> </ul> <p>to analyse and interpret information during this lesson/ unit?</p> <p>Is there any language related to numeracy that I may need to reinforce or teach to enable all students to successfully complete this task(s)?</p> <p>Does the lesson/ unit provide flexible and open-ended tasks?</p>	
<p><b>Assessment Techniques</b></p> <p>How will I monitor and evaluate students' numeracy development?</p> <p>How will I use this information when:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> designing future learning experiences;</li> <li><input type="checkbox"/> reporting to parents and caregivers;</li> <li><input type="checkbox"/> reviewing teaching and assessment strategies</li> </ul> <p>How can I provide particular students with additional support?</p>
